

## Master Lecture Series: An Integrated Science of Bioengineering Urban Green System by Mr. Brian L. Y. Cheng (20 Apr)

Faculty of Design and Environment, THEi

Sent: 10 April 2018 13:59

Dear Colleagues and Students,

You are cordially invited to attend the Master Lecture "An Integrated Science of Bioengineering Urban Green System" organized by BA (Hons) in Horticulture and Landscape Management Programme and Centre for Sustainable Design and Environment, Faculty of Design and Environment. The speaker, Mr. Brian L. Y. Cheng is the Managing Director of GreenWalls Bioengineering with the expertise in Green Walls, Green Roofs and Green Slopes.

### Details are as follows:

**Date:** 20 April 2018 (Friday)

**Time:** 17:30– 19:00

**Venue:** Rm. S503, THEi Chai Wan Campus

**Language:** Cantonese

The seminar is open for all participants for FREE. No registration is required. We look forward to seeing you at the Master Lecture.

**Mr. Brian L. Y. Cheng**

Managing Director

GreenWalls Bioengineering

**Master Lecture Series**

# An Integrated Science of Bioengineering Urban Green System

Mr. Cheng will provide a discussion on 1) General practices of current greening system in Hong Kong; 2) Introduction of innovative Zero Carbon Bioengineering (ZCB), including Green Walls, Green Roofs, and Green Slopes; and 3) Minimal maintenance by multi-discipline engineering (Fertilization and Pest Control, Advance Planting Management as Quality Control, and Nano Structural Perseveration Technologies).

**Venue** S503, THEi Chai Wan Campus

**Date** 20 April 2018 (Friday)

**Time** 17:30 - 19:00

First come first served, no registration required

Organizer: Bachelor of Arts in Horticulture and Landscape Management Program  
Centre for Sustainable Design and Environment (CSDE) (Reference no. UGC/IDS25/16)  
Faculty of Design and Environment

Best regards  
Faculty of Design and Environment  
Technological and Higher Education Institute of Hong Kong (THEi)
